S.No. 3589C.

For the reasons given in his letter No. Es/V/59-Hubli dt. 25/7/52, the D.B.C.W. proposes that Buildings Nos. 25 (Carpentry Shop) and 50 (Scout Club) in the Ex-C. Ts. Settlement, Hubli, should be given to the Ex-C. Ts. of Hubli who propose to organise some industries such as carpentry, smithy, rope making etc., on cooperative basis.

2. Building No. 50 was originally proposed to be transferred to the L & H.D. for conducting Scout activities. The L & H.D. has relinquished claims to the use of this building in favour of the Juvenile & Beggars Deptt. which requires it for recreational activities of the Hubli Certified School which is housed in the same settlement. As plans for the organisation of the industries proposed to be taken up by the Ex-C. Ts. of Hubli are not yet complete, it does not seem feasible to transfer building No. 50 to them.

x No MBC 2651
12281/5

As proposed on LF I, this building may be transferred to the J & B Deptt. which is in need of it. The D.B.C.W. may be asked to find out from the Ex-C. Tribes of Hubli settlement whether they would be willing to take over instead Building No. 44 (Poor House) which is not put to any use at present and is not required by any other Deptt.

3. Building No. 25 (Carpentry Shop) which was transferred along with some other bldgs. (viz Nos. 8, 9, 10 & 11) to the L & H.D. for the purpose of 'B' type Labour Welfare Centre reported by the D.B.C.W. to be in a very dilapidated condition and requires to be rebuilt. As the Labour Welfare Centre has not yet been opened, the L & H.D. may be requested to state whether there are any prospects of its being opened in the near future and if not, whether that Deptt. would have

any objection to relinquishing this building in favour of the Ex-C. Ts. of Hubli who propose to start industrial concerns shortly.

4. The L & H.D. P.W.D. and F. & D. may see u.o. in success with LF I.

Please see the E.D. note dated 29-8-52.

For reasons given therein the E.D. wants back
the structure No. 23 (239) known as Carpentry shop. In

this connection attention is invited to the
office note, in file No. 710/46. It will be seen

therefrom that it is proposed to start a

workshop in the structures Nos. 8, 9, 10 and 23 (carpentry shop).

not to surrender structure No. 11 to the E.D. The B type
centre has already been started in hired premises and it is proposed to continue it there.
Moreover, if the 'B' type centre is not shifted as proposed in the linked file

~~to the structure in exercising the settlement,~~

the structures Nos. 3 and 6 will also be not

required. In the circumstances it will not be

possible to relinquish the structure known as

Carpentry shop to the E.D. It is also pointed

out that the question regarding repairs to the

carpentry shop is ~~being~~ pursued separately. But it will
be possible to surrender structures Nos. 11, 3 and 6.

If approved, this may be returned to the E.D.

Re-submitted with reference to this office note
above. It has been decided on the ^{linked} papers referred

to above that the ^{welfare} centre should not be shifted to the

settlement structures from its existing hired premises.

It has also been decided that instead of starting a workshop in the C.T.S. buildings we may
write to the Employment Exchange to request them to expand

their technical centre at Hubli. In view of this

the structures....

Nos. 8, 9, 10 and 23 (carpentry shop) in which this Department proposed to start an industrial training workshop will also have to be surrendered to the E.D. if the Regional Dir. of Resettlement and Employment agrees to expand the training centre at Hubli. Those papers are being shown to the E.D. separately. The E.D. may therefore be informed that this Department does not require the structures Nos. 11, 3 and 6 and that the remaining structures will also be surrendered to the E.D. if the ^{proposal to start an} industrial workshop at Hubli is finally dropped.

Letter.

No.ES/V/59- Hubli.

Poona, 25th July 1952.

To

The Secretary to Government,
Education Department,
Secretariat, Bombay No.1.

Subject:- Ex-Criminal Tribes.
Rehabilitation of
carpentry workshop at
Hubli Settlement and
Scout Club.
Demand of the Ex-Criminal
Tribes for the ---

During the recent conference on the rehabilitation of the Ex-Criminal Tribes held in the Council Hall at Poona on 21st July 1952, the Ex-Criminal Tribes representatives from Hubli expressed their desire to organise some - industries such as carpentry, smithy, rope making etc. on co-operative basis.

2. For accommodating all these industries, they state that they require some buildings in the Ex-Criminal Tribes Settlement, Hubli - such as carpentry shop and scout club, etc. The following buildings have already been transferred to the Labour Welfare Department under Government Letter, Education Department, No. 43194-J, dated the 28th December 1949.

<u>Structure No.</u>	<u>Particulars.</u>
8	Lock-up.
9	Manual Training Hall.
10	Settlement Office.
11	Asstt. Settlement -
	Inspector's quarters.
25	Carpentry workshop.

These buildings were handed over to the Welfare Superintendent, Hubli on the 4th October 1950. As the Deputy Commissioner, Labour Welfare wanted some additional structures for the Welfare Centre, my predecessor had proposed to allot the following structures to the Labour Welfare Department under this office letter No.ES/V/59, dated the 29th October 1950.

<u>Structure No.</u>	<u>Particulars.</u>
3	School Masters' Quarters.
50	Scout Club.

Structure No.

Particulars.

6
44

Peons Quarters.
Home for the Poor.

3. So far no Welfare Centre has been opened at Hubli; and the buildings transferred to the Labour Welfare Department have, it is reported, been damaged, as they are not put ^{to} use.

4. In case there are no prospects of opening a Labour Welfare Centre at Hubli in a month or two, it would, ~~therefore~~, be better if the buildings allotted to the Welfare Department are made available to the Ex-Criminal Tribes to start their industrial concerns. In case the Labour Welfare Centre is to be opened shortly, the following buildings at least should be made available to the Ex-Criminal Tribes.

Structure No.

Particulars.

25
50

Carpentry shop.
Scout Club.

The Carpentry shop, it is learnt, is in a very dilapidated condition and requires to be rebuilt. The material of this structure, such as corrugated iron sheets - rafters, etc. have been stored and are in the ^{possession} ~~possession~~ of the Welfare Superintendent, Hubli, 'B' Type Welfare Centre. So this building would practically be of no use to the Labour Welfare Centre.

It is also understood that the Scout Club is not required by the Welfare Department. But the Juvenile and Beggars Department has demanded it. The Scout Club was constructed for the recreational activities of the Ex-Criminal Tribes; when the Criminal Tribes Settlement was in existence. The Ex-Criminal Tribes have also contributed towards the construction of the club in ^{the} form of labour. So this building should, in the fitness of things, be made available to the Ex-Criminal Tribes, in case it is not needed by the Labour Welfare Department. Government in the Labour Welfare Department may please be requested to hand over the buildings to this Department for the use of the Ex-Criminal Tribes of Hubli. I

I am requesting the Joint Registrar for Industrial -
Co-operatives and Village Industries to examine the -
proposals of the Ex-Criminal Tribes to organise the
industrial concerns, and to forward a detailed scheme t
Government in due course.
